# About the Five Gifts Foundation

We equip five-fold leaders to advance Christ's Kingdom in the US and the Nations. Our missional objective focuses on teaching, training and mentoring spiritual leaders in the local church and the nations, with an emphasis on raising up apostolic, prophetic, pastoral, teaching, and evangelistic leaders.

Also, as consultants with Church Life Resources, LLC, our partnership includes ministry in over 20 different nations, including 5000 Spirit-filled churches in the United States. Additionally, we carry a passion and a substantial track record for educating and mentoring servant-leaders, who are ready to reach the unreached and build the body of Christ with the fullest expression of our Lord's character and ministries.

The Five Gifts Foundation is also a licensed 501 (c) (3) Non-Profit in North Carolina since 1997, which equips and supports indigenous churches and leaders in the nations. Our website is [fivegifts.org](http://fivegifts.org).
